Accessibility information

This document uses a clear text-based layout, with headings and the programme arranged in chronological order. Its purpose is to make information easier to access for people using screen readers and other assistive technologies.

If you need any arrangements or adjustments to participate in the conference, please contact Nadnotecka Grupa Rybacka or use the form later in this document. We encourage you to do so as early as possible so that the Organisers can discuss the support required. There is no need to disclose a medical diagnosis; a description of your participation needs is sufficient.

Requirements may concern, among other things, communication, Polish Sign Language (PJM) interpreting, accessible materials, personal assistance, reduced sensory stimulation, catering, accommodation, access to toilets and rooms, attendance with an assistance dog, or coach transfers.

The accessibility features of the lecture hall, workshop venue, hotel and transport should be confirmed individually with the Organiser. Your request will make it possible to establish whether and how the required support can be provided.

6. Where should the form be sent?

You may submit the form by email to sekretariat@ngr.pila.pl or deliver it to the Nadnotecka Grupa Rybacka office at Plac Pocztowy 25, 64-980 Trzcianka, Poland. Accessibility needs may also be reported by telephone: +48 67 351 08 55 or +48 668 028 473.

Information on the processing of personal data

Information for individuals reporting accessibility needs in connection with the conference on 1ï 2 December 2026.

You provide personal data in the accessibility needs form so that the Organiser can contact you and agree on the arrangements for your participation. The purposes for which your data will be used and your principal rights are explained below.

1. Data controller

The data controller is the Nadnotecka Grupa Rybacka association, based in Trzcianka (Plac Pocztowy 25, 64-980 Trzcianka, Poland). Contact: sekretariat@ngr.pila.pl; telephone: +48 668 028 473.

2. Purpose and legal basis for processing

The data are processed to consider reported accessibility needs, contact you and agree on appropriate arrangements for participating in the conference. This also concerns the organisation of the event under the European Funds for Fisheries 2021ï 2027 programme.

The legal basis for processing data voluntarily provided in the form is consent (Article 6(1)(a) of the GDPR); for voluntarily provided information constituting special categories of personal data, the basis is explicit consent (Article 9(2)(a) of the GDPR). You may withdraw your consent at any time by contacting the Controller. Withdrawal of consent does not affect the lawfulness of processing carried out before withdrawal.

You are not required to provide a diagnosis or health information. Failure to provide contact details may prevent us from arranging the support you require.

3. Recipients of personal data

Data may be disclosed to individuals and organisations cooperating with the Organiser only insofar as necessary to provide the requested support or to fulfil obligations connected with the project, including relevant supervisory bodies under the European Funds for Fisheries programme (for example, the Agency for Restructuring and Modernisation of Agriculture and the Ministry of Agriculture and Rural Development), if required.

4. Retention period

Data are processed for as long as necessary to handle your request or until consent is withdrawn, taking into account record-retention obligations arising from the law and agreements governing the project.

5. Your rights

You have the right to request access to your personal data, rectification, completion, erasure or restriction of processing, and, in cases provided for by law, data portability. You may withdraw your consent at any time. If you believe that your personal data are being processed unlawfully, you have the right to lodge a complaint with the President of the Polish Personal Data Protection Office (UODO).

6. Other information

Personal data are not transferred to third countries (that is, outside the European Economic Area, EEA) or to international organisations. The data are not subject to profiling without separate consent. If you have questions about data protection, please contact the Controller at sekretariat@ngr.pila.pl.
