

Organizatorzy:
Nadnotecka Grupa Rybacka
Oddział Gdański, Oddział Wielkopolski
oraz Sekcja Ichtiopatologii Polskiego Towarzystwa Nauk Weterynaryjnych

Partner strategiczny:
Katedra Nauk Przedklinicznych i Chorób Zakaźnych Wydziału Medycyny Weterynaryjnej i Nauk o Zwierzętach Uniwersytetu Przyrodniczego w Poznaniu.

CONFERENCE PROGRAMME

DAY 1 — TUESDAY, 1 DECEMBER 2026

LECTURE HALL · PIŁA

8:00–10:00	Breakfast for participants who arrived the day before
8:30–10:00	Participant registration

Session I – Outlook and Current State of the Sector

Chair: Ziemowit Pirtań

I.1
10:00–10:15
15 min

Welcome and opening remarks
Speaker(s): Agnieszka Świątalska, Agnieszka Pękala-Safińska, Wojciech Jóźwiak
Affiliation: Polish Society of Veterinary Sciences (PTNW), Gdańsk · PTNW, Greater Poland Branch · Nadnotecka Grupa Rybacka

I.2
10:15–10:45
30 min

Fish Welfare in Aquaculture – Non-Fiction
Speaker(s): Radosław Kowalski
Affiliation: Institute of Animal Reproduction and Food Research, Polish Academy of Sciences, Olsztyn

I.3
10:45–11:15
30 min

Sustainable Fish Production and Its Impact on Health
Speaker(s): Krzysztof Kazuń
Affiliation: Inland Fisheries Institute – National Research Institute (IRS-PIB)

I.4
11:15–11:45
30 min

Fish Production and Food Safety – Identifying Critical Control Points
Speaker(s): Marek Kubica
Affiliation: Veterinary Inspection

Organizatorzy:
Nadnotecka Grupa Rybacka
Oddział Gdański, Oddział Wielkopolski
oraz Sekcja Ichtiopatologii Polskiego Towarzystwa Nauk Weterynaryjnych

Partner strategiczny:
Katedra Nauk Przedklinicznych i Chorób Zakaźnych
Wydziału Medycyny Weterynaryjnej i Nauk o Zwierzętach
Uniwersytetu Przyrodniczego w Poznaniu.

CONFERENCE PROGRAMME

DAY 1 — TUESDAY, 1 DECEMBER 2026 (continued)

LECTURE HALL · PIŁA

I.5
11:45–12:15
30 min

Implementing New Veterinary Regulations in Other EU Countries – The Danish Example
Speaker(s): Brian Thomsen – online
Affiliation: Dansk Akvakultur Producentorganisation

12:15–12:30 Coffee break

Session II – Aquaculture and Food Safety: Risks

Chair: Radosław Kowalski

I.6
12:30–13:00
30 min

Diagnostics, Pathologies and Protection of Biological Filters in Day-to-Day Veterinary Practice
Speaker(s): Piotr Gomułka
Affiliation: University of Warmia and Mazury

I.7
13:00–13:30
30 min

Antibiotic Residues in Aquatic Environments and Bacterial Antimicrobial Resistance as Threats to Aquaculture
Speaker(s): Agnieszka Pękala-Safińska
Affiliation: Poznań University of Life Sciences

I.8
13:30–14:00
30 min

Fish Parasites as a Source of Zoonoses
Speaker(s): Agnieszka Świątalska
Affiliation: Veterinary Hygiene Laboratory, Gdańsk

I.9
14:00–14:30
30 min

Mycotoxins in Fish: From Fish Health to Food Safety – Current Knowledge and Unanswered Scientific Questions
Speaker(s): Piotr Jedziniak
Affiliation: National Veterinary Research Institute (PIWet-PIB), Puławy

14:30–16:00 Lunch break

Organizatorzy:
Nadnotecka Grupa Rybacka
Oddział Gdański, Oddział Wielkopolski
oraz Sekcja Ichtiopatologii Polskiego Towarzystwa Nauk Weterynaryjnych

Partner strategiczny:
Katedra Nauk Przedklinicznych i Chorób Zakaźnych
Wydziału Medycyny Weterynaryjnej i Nauk o Zwierzętach
Uniwersytetu Przyrodniczego w Poznaniu.

CONFERENCE PROGRAMME

DAY 1 — TUESDAY, 1 DECEMBER 2026 (continued)

LECTURE HALL · PIŁA

Session III – Aquaculture and Food Quality

Chair: Agnieszka Pękala-Safińska

I.10
16:00–16:30
30 min

Fish Genetics and Flesh Quality
Speaker(s): Konrad Ocalewicz
Affiliation: University of Gdańsk

I.11
16:30–17:00
30 min

Fish Processing in Aquaculture Enterprises: Types and Scope of Processing, with Particular Emphasis on Local Processing
Speaker(s): Julia Lech-Staniszewska
Affiliation: District Veterinary Inspectorate in Piła

I.12
17:00–17:20
20 min

Fish and Fish Products – What We Offer Consumers and What Consumers Need
Speaker(s): Joanna Szlinder-Richert
Affiliation: National Marine Fisheries Research Institute, Gdynia

I.13
17:20–17:40
20 min

The Fish Consumer Through a Crystal Ball – Who Buys Fish in Poland and the EU? Trends and Future Outlook
Speaker(s): Tomasz Kulikowski
Affiliation: National Marine Fisheries Research Institute, Gdynia

I.14
17:40–18:00
20 min

Why Should a Fish Carry a Flag? Labelling the Origin of Fish Products
Speaker(s): Anna Swacha-Polańska
Affiliation: Director, Polish Trout Breeders Association

I.15
18:00–18:30
30 min

Aquaculture – An Industry of the Future? Finding Common Ground with Consumers Through One Health and a Win–Win Approach
Speaker(s): Ziemowit Pirtań
Affiliation: Akwakultura Rybajka · Nadnotecka Grupa Rybacka

I.16
18:30–19:00
30 min

Panel discussion
Speaker(s): All speakers

20:30 Gala dinner

Organizatorzy:
Nadnotecka Grupa Rybacka
Oddział Gdański, Oddział Wielkopolski
oraz Sekcja Ichtiopatologii Polskiego Towarzystwa Nauk Weterynaryjnych

Partner strategiczny:
Katedra Nauk Przedklinicznych i Chorób Zakaźnych
Wydziału Medycyny Weterynaryjnej i Nauk o Zwierzętach
Uniwersytetu Przyrodniczego w Poznaniu.

CONFERENCE PROGRAMME

DAY 2 — WEDNESDAY, 2 DECEMBER 2026

AKWAKULTURA RYBAJKA · TARNOWO

8:00–9:45	Breakfast
9:45–10:15	Hotel check-out
10:15–11:00	Meet outside the hotel; coach transfer to the Akwakultura Rybajka facility

Study visit

II.1
11:00–11:30
30 min

Introduction to a Modern Aquaculture Business, Specialist Fish Transport Vehicles, Renewable Energy Solutions and Energy Storage in Aquaculture
Speaker(s): Wojciech Jóźwiak, · Ziemowit Pirtań
Affiliation: Akwakultura Rybajka · Nadnotecka Grupa Rybacka
Note: Two groups, each guided by one of the two presenters

II.2
11:30–11:50
20 min

Demonstrations / Workshops – Implementing Telemedicine Technologies in Fish Diagnostics
Speaker(s): Agnieszka Pękala-Safińska, Agnieszka Świątalska
Affiliation: Poznań University of Life Sciences · Polish Society of Veterinary Sciences (PTNW)
Note: Laboratory workshops with a live video feed to the conference room

Session IV – New Ideas in Aquaculture: "One Health", "Zero Waste", "Farm to Fork"

Chair: Agnieszka Świątalska

11:30–14:00	Coffee service and Rybajka product tasting available throughout the session

II.3
12:00–12:20
20 min

Pstrąg Wielkopolski and Pstrąg Wielkopolski+ as Examples of R&D Collaboration and the One Health Concept
Speaker(s): Agnieszka Pękala-Safińska, · Ziemowit Pirtań
Affiliation: Poznań University of Life Sciences · Akwakultura Rybajka

II.4
12:20–12:40
20 min

Rybajka Delicatessen and Rybi Puzon Restaurant – Putting "Farm to Fork" into Practice in a Family-Run Aquaculture Business
Speaker(s): Ziemowit Pirtań
Affiliation: Akwakultura Rybajka · Nadnotecka Grupa Rybacka

Organizatorzy:
Nadnotecka Grupa Rybacka
Oddział Gdański, Oddział Wielkopolski
oraz Sekcja Ichtiopatologii Polskiego Towarzystwa Nauk Weterynaryjnych

Partner strategiczny:
Katedra Nauk Przedklinicznych i Chorób Zakaźnych
Wydziału Medycyny Weterynaryjnej i Nauk o Zwierzętach
Uniwersytetu Przyrodniczego w Poznaniu.

CONFERENCE PROGRAMME

DAY 2 — WEDNESDAY, 2 DECEMBER 2026 (continued)

AKWAKULTURA RYBAJKA · TARNOWO

II.5
12:40–13:00
20 min

Innovative Aquaculture Products – Looking East: "There Must Be Some Civilization Out There"
Speaker(s): Vladas Vickūnas
Affiliation: Akvapona UAB – Lithuania

II.6
13:00–13:30
30 min

Demonstrations and Workshops – Filleting and Portioning Farmed Fish: Pstrąg Wielkopolski, African Catfish and Carp
Speaker(s): Team from Rybi Puzon Restaurant and the Rybajka Processing Facility
Affiliation: Akwakultura Rybajka
Note: Demonstrations / Workshops – live video feed to the main screen in the conference room

II.7
13:30–14:45
75 min

Demonstrations and Workshops – Preparing Unconventional Fish Dishes: Sushi, Ceviche and Sashimi with Trout and Catfish
Speaker(s): Radosław Kowalski, · Team from Rybi Puzon Restaurant and the Rybajka Processing Facility
Affiliation: Institute of Animal Reproduction and Food Research, Polish Academy of Sciences, Olsztyn · Akwakultura Rybajka
Note: Demonstrations / Workshops – live video feed to the main screen in the conference room

II.8
14:45–15:00
15 min

Conference and Training Summary for All Participants
Speaker(s): Agnieszka Świątalska, Agnieszka Pękala-Safińska, Wojciech Jóźwiak
Affiliation: Polish Society of Veterinary Sciences (PTNW), Gdańsk · Poznań University of Life Sciences · Nadnotecka Grupa Rybacka

15:00–16:00 Fish lunch at Rybi Puzon Restaurant

16:00–16:45 Coach transfer to the hotel

END OF THE CONFERENCE
